1.Count the quantity: After all kinds of goods arrive at our company, our company will arrange full-time staff to sign for them, count the number of parcels, measure the weight/volume, and quickly inform the customer

Check whether the packaging of the goods is complete and without damage, or open and repackage the goods as required by the customer

B: Each article should be marked with shipping mark, so that customers can easily identify their own goods during customs clearance

2. Assisted in customs clearance: tracked the whole process online until the receipt was signed for confirmation
