Product Description

Cameroon Ectn

SPEED® Cameroon ECTN, Douala ECTN, According to the law of the state of Cameroon, all goods shipped to the port of Adura in Cameroon must apply for the electronic goods tracking list ECTN (BESc). If the ECTN (BESc) is not applied, it will be regarded as a violation of the regulations of Cameroon and will be automatically punished at the port of destination. According to the requirements of the exporter, the consignor must provide SPEED® Cameroon ECTN / BESc (some shipping companies require it to be shown on the bill of lading) before issuing the original bill of lading, otherwise the original bill of lading cannot be issued.
